

I was not able to receive documentation prior to the IJOBS due date. I am working with Green Americorps to receive energy audits for all of our facilities and am attempting to receive the necessary information. Recent correspondence is evidenced below. We will of course comply with the requirements.

I spoke with Seth about this when I got back from Pennsylvania yesterday and he said that when he was speaking with Pete about it, Pete was sending you the email. If you need to get in touch with Seth again, his email is smg0072@yahoo.com.

I'm looking forward to the vgp tomorrow! I'm planning on showing up around noon to help with any last minute things that need to be moved or finished and Seth and Noah will be there at one. Let me know if you think we should be there earlier or if you think of something else you need help with.

Thanks, and see you soon,

Jennifer

Jennifer, I do not have contact info for Seth...I hate to be a pest, but can you have him get in touch with me? My ice house deadline is ticking. Jeff
